Executive Security Patrols

Who we are

ESP has now been established for almost 15 years.

During this time we have gained a wealth of experience within the security industry.

We know exactly what our clients are looking for and tailor-make all of our services to meet the individual requirements of your business.

Professionalism has been the key to our success which is why we only employ the best.

All of our guards are fully vetted prior to employment, not only for your peace of mind but also for ours.

All employees are trained to SIA standard and fully licensed

The main services we offer are:

Key-Holding / 24-hour Response

Static Guards

Mobile Patrol Units
